

"The idea of blackness among Latino's isn't discussed as much as it should (be) and it's tragic because so much of that African culture is so dominant."

-Mimi Valdez

La Negra Tiene Tumbao
Celia Cruz

"Friendship between women, as any woman will tell you, are built of a thousand small kindnesses... swapped back and forth and over again."

-Michelle Obama

Ladies Night
Kool & The Gang

"What most did not understand then was that I was not only married to the man I loved, but I was also married to the movement I loved."

-Coretta Scott King

Living For My Jesus
5 Blind Boys Of Alabama

"Luck is believing you're lucky."

-Tennessee Williams
(Streetcar Named Desire)

Luck Be A Lady
Frank Sinatra

"We are all born to die, the difference is the intensity with which we choose to live."

-Gina Lollobrigida

Mambo Italiano
Dean Martin

"An original woman is not someone that doesn't imitate someone, but the one that nobody can imitate."

-Maria Felix "La Dona"

Maria Maria
Santana featuring
